

HAYDEN GIVING FUND

BUILDING
BETTER
LIVES

SPRING 2006 NEWSLETTER

GREETINGS

On behalf of the Hayden Giving Fund, I would like to again thank you for your ongoing support during what is shaping up to be a banner 2006.

The Giving Fund has already outpaced last year's giving to worthy programs and organizations. Between the end of 2005 and into April 2006 we will have dedicated 4 Grant Houses throughout Oregon and Washington. The program continues to be one of the most powerful ways in which the Giving Fund and its supporters build better lives.

Hayden Watson
Chairman HGF and CEO Hayden Homes

THANKS

We would like to take this opportunity to thank the numerous contractors and suppliers who teamed up with us in our recent efforts. It is a tribute to this collaborative spirit that makes what we do possible. We would also like to thank the several Hayden Homes project managers for their hard work and coordination.

Desert Drywall	JR Construction	A-Core of Washington
JR Carpet Installers	JC Janitorial	Lumbermens
American Rock Products	Tri-City Escrow	Central Pre-Mix Pasco
Norcraft	General Electric	

HOUSING GRANT UPDATE

Valley View and Three River Crossing Dedications

In December of 2005, the Hayden Giving Fund dedicated a Grant House to Tomas Perez and Dora Delgado and family. The dedication took place in Pasco, Washington's Three Rivers Crossing community. Over 60 trade partners, manufacturers and suppliers showed up for what proved to be--as all are--an emotional event.

On March 15th of this year, we dedicated another Grant House to Eleanor Edwards in Moses Lake's Valley View community. Again, up to 60 trade partners were on hand to meet the woman to whom they gave so much of themselves.

On March 23, 2006 the Giving Fund will dedicate yet another Grant House to George Davidson and Andrea Gonzalez in Eugene's Shadow Glen community.

And in April, in Roseburg's Rivercrest Estates community, another Grant House dedication will take place. It's going to be a historic year for this program!

GRANT COUNTY HOUSING AUTHORITY

McKean Concrete and Construction	Allstate Electric
